

Weather Damage Road Updates

~This list will be updated as new information is made available~

Updated 7/14/16 @ 4:00 p.m.

All state roads in Washburn County are now open please use caution as there is loose gravel in spots. Some County and Town roads remain closed.

Please use caution on all northern Washburn County roads. We have loose gravel and very low shoulders. We have done our best to open the roads for the public. Some Roads still remain closed.

We have removed the township lists as we don't feel we are being updated enough to provide correct information. Please contact the Township you plan on visiting.

USH 53 - 1/2 mile south of the Minong wayside in the north bound lane, the east lane (driving lane of traffic) will be OPEN at approximately 5 PM today 7-14-2016.

State Highway 77 is now open please use caution as there is loose gravel in spots

County Highway F from USH 53 to USH 63 is Open Please use caution there will be loose gravel and very low shoulders

County Highway F from CTH K to USH 77 is CLOSED

County Highway G is open/passable to the County Line. Please use extreme caution and only travel as needed.

County Highway K south from State Highway 77 to County Highway F is OPEN, however there is one small section that is only one lane traffic and you could experience some delay

County Highway M from USH 63 to Highway 77 is CLOSED

Other County Roadway Updates: Per Burnett County Hwy Department State Rd 77 west from Washburn County is now open to WIS 35. WIS State 35 is now open both north and south.
