### Storm Update 8 / September 28, 2016 / 5 p.m.

**Overview-** The National Weather Services (NWS) is forecasting light rain showers across the state ending this evening. Dry weather returns on Thursday. Scattered showers return on Friday and continuing through Saturday. Forecasters expect rain totals of less than half an inch of rain.

County assessment teams continue surveying damage to public infrastructure (roads, bridges, etc.) and submitting to Wisconsin Emergency Management preliminary cost estimates to repair that damage. In addition, homeowners and businesses that sustained damage should report to county emergency management offices. Here is the latest update as of 4:00 pm:

Damage to Homes and Businesses				
County	Affected/Minor Damage	Major Damage	Destroyed	Total
Adams				\$9,000
CN Railroad ( in Chippewa Co)				\$100,000
Chippewa	12	3	0	\$200,000
Clark	6	3	0	\$100,000

Richland	\$902,650
Vernon	\$5,151,800
Wood	\$63,635
TOTAL	\$12,093,655

Wisconsin Department of Transportation reports WIS 131 remains closed from County S to County U (Readstown to Viola) for roadway embankment failure. In addition, many county and town roads remain closed as water continues to recede. Motorists are reminded to use caution, obey barricades and to not travel through standing water.

The State Emergency Operations Center is at Level 5 with Wisconsin Emergency Management's 24-hour duty officer and senior duty officer monitoring events.
