

3-Day Emergency Supply Checklist

Get a Kit

When disaster strikes, immediate help may not be available. Every household should have an emergency kit with enough supplies to see you through three days following a natural disaster, health or manmade emergency.

Start out thinking about the basics of survival — fresh water, food, safety, warmth, sanitation and clean air.

For Everyone

- o Water (3 gallons per person for drinking and sanitation)
- o Non-perishable food
- o Manual can opener (if kit contains canned food)
- o Battery-powered NOAA Weather Radio and æommercial radio or hand crank radio
- o Flashlights and extra batteries
- Sleeping bag or warm blanket for each person
- o First aid kit and emergency medical reference manual
- o Prescription medications and eyewear
- o Mess kits, paper cups, plates and plastic utensils, paper towels, moist towelettes, garbage bags and ties
- o Complete change of clothing, including a long-sleeved shirt, long pants, socks and sturdy shoes add outdoor gear in winter
- o Cash in small denominations or traveler's checks and change
- Copies of important family documents, such as insurance policies, identification and bank account records in awaterproof, portable container
- o Wrench or pliers to turn off utilities
- o Matches in a waterproof container
- o Household chlorine bleach and medicine dropper (When diluted nine parts water to one part bleach it can be used to disinfect)
- o Dust mask (to help filter contaminated air) and plastic sheeting/duct tape (to shelter

where you are)

- o Local maps
- o Books, games, puzzles or other activities for children
- o Paper and pencil
- o Fire Extinguisher
- o Whistle to signal for help

For Pets

- o Identification tags on collars
- o Medications and veterinary immunization records
- o Food, drinking water, bowls, cat litter/pan and can opener
- o Sturdy leashes or carriers to transport pets safely (Carriers should be large enough for the pet to stand up, turn around and lie down)
- o Towels or blankets
- Current photos of you with your pets
- o Feeding schedules, medical conditions, behavior problems, and the name and phone number of your veterinarian
- o Pet beds and toys
