DONATIONS BEING ACCEPTED FOR RECOVERY FROM FLOOD EVENT

The United Way of Fond du Lac is currently accepting financial donations that will be allocated as needed throughout the community. Financial donations are being accepted to assist in recovery from the flooding event. Checks can be made out to the United Way of Fond du Lac with FDL Flooding in the memo line. Donations can be mailed to 74 South Main Street, Fond du Lac, Wisconsin 54935. Donations can also be made at www.fdlunitedway.org and click on the check box for flood relief.

Donated supplies and materials are being accepted through the Fond du Lac Salvation Army. Those looking to donate supplies and materials should call 920-923-8220.

At this time, we are still assessing what the needs will be for the community. As those needs are identified, the United Way will be establishing a volunteer reception center. At that time, we will welcome, process and assign volunteers to address the needs identified.
