ONE SHELTERS REMAINS OPEN FOR THOSE DISPLACED BY THE FLOODING

The Red Cross and Fond du Lac County Health Department has closed the shelter at Harbor Haven, however, the shelter at the Community Church, located at N6717 Streblov Drive, remains open.

Those at the shelter are being encouraged to sign up on Red Cross Safe and Well at <https://safeandwell.communityos.org/zf/safe/add>. Those looking for family members can go to the website at <https://safeandwell.communityos.org/zf/safesearch/search>.

The shelter remains available to those that are not able to find other safe arrangements to stay.

Updates will be made with media and on social media when it is safe for residence to return to their homes.
