DONATIONS BEING ACCEPTED FOR FLOOD RELIEF

Fond du Lac County has partnered with our community organizations to facilitate a long term recovery grant program for flood recovery. 100% of the donations made through the United Way or Fond du Lac Area Foundation that are directed to go to flood relief are being used to provide financial assistance through this community-funded grant program.

Check donations can be made out to the Fond du Lac United Way (74 South Main Street, Fond du Lac, WI 54935) or the Fond du Lac Area Foundation (384 North Main Street – Suite 4, Fond du Lac, WI 54935) with Flood Recovery in the memo field. Online donations for flood relief can be made through the following links:

Our community organizations have been great partners throughout the entire event. Please remember, not only are they assisting with the immediate needs of the flood victims, but they are still managing the day-to-day missions of their organization, which relies heavily on donations. Please continue donating to these organizations as they continue to help the community during good times and bad.

Those needing assistance are reminded to complete an application for the grant program. Applications can be completed online at <http://www.fdlco.wi.gov/home/showdocument?id=20300>. They can also be found at the United Way, 74 South Main Street in Fond du Lac.
